Asian Golf Travel Nation - April 2014

Dear Golf Travelers,

Welcome to this edition of the Asian Golf Travel Nation, the source for news breaking information about Asian Golf. In addition, unique golf playing tips for Indochina's tropical environment, announcements of golf travel promotions, and our latest subscription offer are all integral parts of today's newsletter.

Unlike most other high quality golf destinations, SE Asia is blessed with sunshine and mild temperatures to offer year round golfing. Surrounded by the Gulf of Thailand to the South, the Andaman Sea to the West and the South China Sea to the East, our destinations are blessed with cooling ocean breezes even in the hottest months. In fact, during the summer [Koh Samui](#) and [Bali](#), both fantastic tropical golfing islands,

see some of the best beach weather in the world.

For water lovers there are few golf destinations which offer the diversity of Thailand, Vietnam, Malaysia, or Indonesia. At any time of the year you can play golf in the morning and take a dip in the sea or laze by the beach just a few minutes later.

Have my descriptions have tempted you to come to [Asia for a golf holiday](#)? Whatever golf journeys you dream of, we at Golfasian are on hand to help you make them a reality.

As always there are many golf happenings around the region so with that, I invite you to read this edition of the Asian Golf Nation.

Golf news from around the region:

Thailand

 Various destinations: Loads of new accolades pour in for [Golf in a Kingdom](#). First, for the 11th year running, Thailand has won "the Most Popular Tourist Destination in Asia" award conferred by the German travel industry group Go Asia. Then, Thailand has been conferred "the Best International Golfing Destination" by the Confederation of Indian Industry which is made up of India's leading industrialists. Finally, Thailand's capital, and the locals' golf hub of Bangkok, has been ranked third in the latest Euromonitor International's 100 Top City Destinations Ranking. Three other popular Thai golf destinations, Phuket, Pattaya, and Chiang Mai, were

respectively ranked 15, 17 and 70 in the same listing.

Phuket: Phuket's famous [Blue Canyon](#) has been sold by its Singaporean owners to a local Phuket businessman. After years of being in limbo this is really great news for the club which is in need of new capital. Blue Canyon opened in 1991 and put the Thailand golf industry on the international golf map. In fact, Blue Canyon Country Club is the only course in the world to have hosted three Johnny Walker Classics; 1994 (Greg Norman), 1998 (Tiger Woods), and 2007 when (Anton Haig).

Vietnam

Various Destinations: Not to be outdone by its bigger golf neighbor to the West, Vietnam took four spots on Trip Advisor's list of top Asian destinations. Hanoi, Ho Chi Minh City, Hoi An, and Ha Long Bay are featured on the list of the top 25 destinations in Asia. It is no surprise then that these destinations also play home to [Vietnam's best golf courses](#), particularly Hoi An, home of the [Golf Coast Vietnam](#).

Saigon (Ho Tram): The most anticipated new golf course in Asia is open for play. The Bluffs Ho Tram Strip along Vietnam's south-central coast is hosting golfers on a preview basis. Designed by Greg Norman, The Bluffs Ho Tram Strip is routed over and around towering seaside sand dunes. With the new super-highway the time to get to Ho Tram from [Saigon](#) has been cut to less than two hours. The Bluffs Ho Tram Strip is one of the best examples of links courses in Asia with significant elevation changes, making for a "wow golf experience". In time to come, it will certainly rank among Asia's best.

Myanmar

Mandalay: The last country in SE Asia to have a true modern [championship golf course is Myanmar](#). Therefore, the ground breaking the new Schmidt-Curley designed Myotha Golf Club is of great interest to me. The 8,000 yard course will be located southwest of Mandalay, the last royal capital of Myanmar and center of Burmese culture. Holes will be laid out along the sites deep river canyons and rolling landscape. Being one of the longest courses in Asia the layout Myotha will surely attract professional events. Stay tuned to hear more about the construction progress and planned opening in late 2015.

With that I would like to once again thank those of you who have golfed with us recently, it was nice seeing you and I hope your trip was memorable one.

The golf, culture, and beauty of SE Asia are perfectly suited for an unforgettable golf experience. This includes playing private members clubs and championship golf courses, enjoying the world's best cuisines and entertainment, taking daily spas and massages, and best of all at prices so reasonable that you will think the costs are too low!

Tailor-made itineraries to your specific travel preferences, expectations, group size, and budgets are our specialty; contact us for a [competitive quote](#).

Until the next newsletter, happy golfing and I hope to see YOU in the area very soon!

Golf Travel Testimonials

Hi Paul,

We have been back in the UK for a couple of days now and had time to reflect on our holiday. It was an amazing vacation! The success of it was in no small part due to you and your staff and your organisation.

The choice of hotels was excellent, they were central to most points of interest in the town or city and we were well looked after in all of them.

Golf Tours

Your drivers and guides were knowledgeable and helpful. We felt very safe, even in the chaotic traffic of Ho Chi Minh City. The Mercedes and Toyota vehicles were comfortable to the point of luxury. On every occasion, your staff were at our location ten to fifteen minutes before they were due to collect us. We suffered not a moments anxiety in the entire eighteen days.

The trips you selected were all very interesting and well worth doing.

As keen golfers, we were astounded at the immaculate courses we played in all three venues. The greens were quick and true, the fairways were beautifully kept and the clubhouses were truly magnificent. We really were spoiled.

Please accept our grateful thanks for an incredibly memorable holiday.

I shall be recommending you to any friends considering holidays in the Far East.

Boost for Bali's Golf Credentials - Destination Review

Most people know the island of Bali as a tourism mecca of Asia Pacific. But 20 years after the first courses were opened there, not so many are as familiar with Bali's golf credentials.

Recognised and revered for its sumptuous resorts, spas, food, culture, ambience and happy, welcoming people, Bali is raising its golf profile through a new co-operative marketing group, Bali Golf Paradise, which aims to turn the Island of the Gods into the Island of Golf as well.

The imminent re-opening of [Bali National Golf Club](#), formerly known as Bali Golf and Country Club, at Nusa Dua, after a 19-months makeover is a catalyst for Bali's new golf tourism push.

By far the best known of Bali's courses is [Nirwana Bali Golf Club](#) at Tanah Lot, about 45 minutes drive west of the island's Kuta-Seminyak- Legian tourism hub. This Greg Norman design opened 20 years ago and has long been regarded as one of the best courses in Asia. Indeed, just a few months ago *US Golf Digest* includes it among its best 100 courses outside the United States, while *Forbes Travel Guide* has named Nirwana among Asia's 10 most elite golf courses.

The on-site 278-room Pan Pacific Nirwana Bali Resort includes 12 one and two-bedroom villas as well as hotel rooms. It offers golf stay-and-play packages, which provide a welcome opportunity to escape Bali's notorious traffic on the island's narrow roads.

Why golf in Thailand? Thailand is probably the most spectacular golfing destination in the world, the beauty of her golf courses expresses it all. We have lush greenery year round with palm trees and every other type of tropical flora and flowers creating a feast for the eyes. Warming up is still important before playing golf, even in hot countries. Prevention is better than cure and it's a simple process to reduce the likelihood of aches and pains. If you don't have time to go the driving range, then take a few minutes to do some stretching or swinging two golf clubs and this can help you have a more comfortable game.
